A Great Book.

Hills revised and enlarged manual of business and social forms, instructions in penmanship, letter and shorthand writing, and should have a place in the home of every business man, merchant, farmer and society generally. Statistical, financial, historical and political data are especially elaborate. Alaska and mining there, are interestingly described and illustrated. P. N. HANSEN, Agent.

TONICS.

La Fronde is the title of a new daily paper published in Paris which is edited, printed and named entirely by women. It is published in a handsome building of its own, and treats of all matters of interest to women from gowns to political equality. One of its objects is to secure to French women the same amount of respect in France that American women already enjoy in America.

State Senator Munroe has introduced in the Illinois Legislature a bill releasing the property of women from taxes so long as the right of suffrage is denied to women.
